## **Rainbow International® of Long Island Owner Wins Prestigious Excellence in Mentoring Award at Las Vegas Convention**

Area resident Russ Regan came back home from a Las Vegas trip with more than fond memories; he also returned with the *Rainbow International* Excellence in Mentoring Award and praise from scores of friends and business associates.

The Excellence in Mentoring Award is presented to the franchise that consistently sets an example for others within the *Rainbow International* system by conveying vision, participation and positive contribution.

The award was presented at The Dwyer Group® Annual Reunion in Las Vegas, Nevada. Reunion is a festive event designed to bring the many concepts of *The Dwyer Group* together annually for updates, inspirational speakers, informative business-specific classes and, most importantly, fellowship amongst the thousands of gifted and dedicated individuals that own and operate their own franchise.

“This award is a reflection of my entire team’s caring, commitment and dedication,” said Russ. “To us, it’s about more than just doing a job. The *Rainbow International* system helps us build long-term relationships with our customers. With us, they know they can count on courteous, professional and fast service. We’re grateful to the good people of our area for trusting us with their business and will continue to provide the world-class service they expect and deserve.”

“The *Rainbow International* team is thrilled Russ won the award,” said *Rainbow International* president David Bethea. “He exemplifies everything that makes the *Rainbow International* philosophy unique: commitment, caring, faith and perseverance.”

Regan has owned and operated *Rainbow International* of Long Island since June 2005.

*Rainbow International* of Long Island offers comprehensive water, fire and smoke damage restoration and cleaning services to residential and commercial customers.
