Rainbow International® of Northwest Georgia Grand Opening Set for February 24, 2009

New local business owner Jim Tibbs sees his job as more than just structural cleaning and restoration – he also enjoys dealing with the diverse customer base he serves every day.

Tibbs is the franchise owner of *Rainbow International* Restoration and Cleaning of Northwest Georgia.

“That’s one of the great aspects of my job,” said Jim. “Every day brings new faces and challenges. One day we can help a family suffering from water or fire damage get back into their home sooner by using the latest in restoration technology. The next we can clean the carpets after a toddler’s birthday party punchbowl disaster. So many different kinds of wonderful people make up our area that each day is different.”

“We are proud to say we answer all calls with a live voice, so you can always count on us for fast, friendly service and not a machine recording with endless number-punching options to follow,” Vice President Dale Ortman added.

Tibbs joined the *Rainbow International* family in October 2008 and will host a grand opening Tuesday, February 24, 2009 at his local office (6116 Highway 515 North, Suite H in Talona Village). The event runs 11 AM – 1 PM and will feature refreshments, door prizes and appearances by representatives from local chamber of commerce and government offices.

“The *Rainbow International* concept of courteous and professional service drives us,” added Jim. “I believe the key to business success lies in more than just doing a job for the customer. I think building relationships with my customers, in addition to providing top-notch service, is the secret to success. I also believe this philosophy flows over into and enhances my personal life as I treat others as I would like to be treated.”

“Jim and *Rainbow International* are a terrific addition of world-class front line service for area residents,” said *Rainbow International* president David Bethea. “We’re excited to have him on the *Rainbow International* team and know he will do a great job serving his customers.”
