Rainbow International® of Cincinnati Owners Wins Prestigious Woman of the Year Award at Las Vegas Convention

Area residents Rob and Tuesday Hanavan came back home from a Las Vegas trip with more than fond memories; she also returned with the *Rainbow International* Sales Leader of the Year Award (Under 175K) and praise from scores of friends and business associates.

The Sales Leader of the Year Award (Under 175K) is presented to the franchisee who has delivered the highest reported sales volume during the award year.

The award was presented at The Dwyer Group® Annual Reunion in Las Vegas, Nevada. Reunion is a festive event designed to bring the many concepts of *The Dwyer Group* together annually for updates, inspirational speakers, informative business-specific classes and, most importantly, fellowship amongst the thousands of gifted and dedicated individuals that own and operate their own franchise.

“This award is a reflection of our entire team’s caring, commitment and dedication,” said Rob. “To us, it’s about more than just doing a job. The *Rainbow International* system helps us build long-term relationships with our customers. With us, they know they can count on courteous, professional and fast service. We’re grateful to the good people of our area for trusting us with their business and will continue to provide the world-class service they expect and deserve.”

“The *Rainbow International* team is thrilled Rob and Tuesday won the award,” said *Rainbow International* president David Bethea. “They exemplify everything that makes the *Rainbow International* philosophy unique: commitment, caring, faith and perseverance.”

Rob and Tuesday have owned and operated *Rainbow International* of Cincinnati since 2004.

Rainbow International of Cincinnati offers comprehensive water, fire and smoke damage restoration and cleaning services to residential and commercial customers.

Rainbow International of Cincinnati may be reached at (513) 733-3131 or rainbowintl.com for more information or to schedule a service appointment.
