Rainbow International® of Alberta Owner Wins Prestigious Woman of the Year Award at Las Vegas Convention

Area resident Christina Maillot came back home from a Las Vegas trip with more than fond memories; she also returned with the *Rainbow International* Woman of the Year Award and praise from scores of friends and business associates.

The Woman of the Year Award is presented to a woman nominated in writing by their franchise owner and selected by the home office staff based on their performance during the award year. The award helps recognize continuing efforts that strengthen and support the success of the franchise.

The award was presented at The Dwyer Group® Annual Reunion in Las Vegas, Nevada. Reunion is a festive event designed to bring the many concepts of *The Dwyer Group* together annually for updates, inspirational speakers, informative business-specific classes and, most importantly, fellowship amongst the thousands of gifted and dedicated individuals that own and operate their own franchise.

“This award is a reflection of my entire team’s caring, commitment and dedication,” said Maillot. “To us, it’s about more than just doing a job. The *Rainbow International* system helps us build long-term relationships with our customers. With us, they know they can count on courteous, professional and fast service. We’re grateful to the good people of our area for trusting us with their business and will continue to provide the world-class service they expect and deserve.”

“The *Rainbow International* team is thrilled Christina won the award,” said *Rainbow International* president David Bethea. “She exemplifies everything that makes the *Rainbow International* philosophy unique: commitment, caring, faith and perseverance.”

Maillot and her husband Dennis have owned and operated *Rainbow International* of Alberta since 2001. They were also honored with the \$2 Million Benchmark Award (presented to franchisees as they pass higher annual retail sale levels), Restorer of the Year Award and Sales Leader of the Year Award (Over 175K) at the same event.

Rainbow International of Alberta offers comprehensive water, fire and smoke damage restoration and cleaning services to residential and commercial customers.
